

SACRAMENTO STATE

# PROPOSED OFFICE OF ANNUAL ASSESSMENT

## PURPOSE

Assessment of student learning is an integral part of our commitment to continuously improve student learning and success.

The Office of Academic Program Assessment (OAPA) provides support for faculty to effectively collect, analyze, and use learning data to continuously improve student learning and success through annual assessment, collaborative project funding, best practice training, and faculty learning communities.

### DIRECTOR OF ACADEMIC EXCELLENCE

Oversees the Office of Annual Assessment and guides the development of a universitywide assessment framework.

### OFFICE OF ANNUAL ASSESSMENT

Advancing a culture of assessment to improve student learning and success.

### FACULTY DIRECTOR

*Academic Affairs Division*

Provides leadership for assessment support within Academic Affairs.

### FACULTY ASSESSMENT CONSULTANT

Provide guidance, training, and peer support for program-level assessment.

### FACULTY ASSESSMENT CONSULTANT

Provide guidance, training, and peer support for program-level assessment.

### FACULTY ASSESSMENT AMBASSADORS

*In Academic Colleges*

College-based faculty ambassadors support assessment practices within the academic colleges.

## UNIVERSITYWIDE ASSESSMENT FRAMEWORK

The Director of Academic Excellence works with other Sacramento State divisions to instill a university framework of assessment.

- ✓ Shared expectations and best practices
- ✓ Coordinated support and resources
- ✓ Consistent use of learning data
- ✓ Continuous improvement for student success
