Learn About Sac State's WSCUC Reaccreditation | Feb. 10

Accreditation is an important opportunity for Sacramento State to reflect on our shared work, celebrate what we do well, and identify ways to continue strengthening educational excellence for our students. This process helps ensure we're moving forward together in support of Sac State's mission.

Join the **WSCUC Reaccreditation Campus Briefing** on **Tuesday, Feb. 10** from **10:30 to 11:30 a.m.** to learn about Sacramento State's reaccreditation process, key benchmarks leading into spring 2026, and ways students, faculty and staff can participate in this important work. The briefing will provide an overview of WSCUC standards, the accreditation timeline, current progress, and opportunities for campus engagement.

You can also visit the [WSCUC webpage](#) to access key documents, follow important milestones, and stay up to date on the latest developments.

We hope you'll join us and be part of this important campus-wide effort.
