SACRAMENTO STATE

SAC STATE WSCUC Reaccreditation

CAMPUS VISIT: FEB 17-19, 2027

What is WSCUC?

WSCUC *(WASC Senior College and University Commission)* is Sac State's accrediting organization that evaluates our educational quality, student support, and institutional effectiveness. It accredits colleges and universities, confirming that they meet established standards of quality and are committed to continuous improvement. Through peer review, WSCUC recognizes what we do well and helps us make the Sac State experience even better.

Students

Helps maintain access to federal financial aid and supports the transfer and recognition of Sacramento State credits and degrees.

University

Confirms that Sacramento State meets WSCUC standards for educational quality, student support, and institutional effectiveness.

Improvement

Uses assessment and external feedback to strengthen planning, programs, services, and campus operations.

Degree Value

Prepares graduates with the knowledge, skills, and experiences to pursue meaningful careers, continue their education, and contribute to their communities.

INSTITUTIONAL REVIEW KEY DATES

July 9, 2026

Campus Engagement Opportunities

Invited Meetings

The review team has identified groups and individuals for focused conversations about areas it wants to understand more about.

Open Forums

During the visit, open forums will be conducted for faculty, staff, and students to meet with the WSCUC review team.

Confidential Feedback

About three weeks before the visit, WSCUC will open a confidential email account accessible only to authorized WSCUC team members. If comments inform findings, the author's identity will be protected.
