### Cadet Wing Commander's Message

To serve as an Airman or Guardian in the world's greatest Air and Space Force, an individual must begin their journey with purpose, dedicated to the principles that make our country free. Detachment 088 is where that foundation of a service mindset is built.

As the Cadet Wing Commander, my mission is to ensure every Cadet is challenged to grow as both an active follower and a capable leader. We uphold uncompromising standards in academics, physical fitness, and personal character because excellence is not optional; it is our baseline.

At Det 088, you will find a culture defined by camaraderie, accountability, and a relentless drive to improve. Our Cadets build their leadership and followership skills from the ground up, supported by a team committed to developing officers worthy of the Air and Space Force.

Det 088 has an extensive legacy of producing exceptional officers, and we continue to refine our training to meet the ever-changing demands of tomorrow's fight.

Arrive ready to learn, ready to work, and ready to push beyond your comfort zone. Your growth here will shape the leader you become.

Det 088 cadets are, and will remain, **Built to Serve**.
