

THE CENTER FOR TEACHING AND LEARNING

PRESENTS

# FACULTY & PROFESSIONAL LEARNING COMMUNITIES

CENTER FOR  
TEACHING &  
LEARNING  
SACRAMENTO STATE

## WHAT ARE FACULTY LEARNING COMMUNITIES?

Faculty/Professional learning communities (FLC/PLCs) are peer-led groups for active engagement, collaboration, and action research on topics ranging from academic support to equity in higher education. Participants receive additional employment (taxable) or professional

**Applications  
are open!**

**Due Feb. 7th  
by 5pm**

### Wellness in the Classroom Mini-FLC

What are the connections between wellbeing and learning? Find some strategies for integrating wellness into interactions with your students. .

### Affordable Learning Solutions & Open Educational Resources

Have you checked the cost and accessibility of your course materials? If you are interested in reducing the cost and improving access to textbooks, student engagement tools, and other instructional materials, join us to explore open educational resources, authoring tools, and more!

### Redesigning Your Course for QM Certification II: Alignment & Engagement

Are you looking to redesign your course with engaging activities aligned to measurable objectives? Let us ensure your online or hybrid course meets Quality Matters (QM) standards! .

**We invite you to join us for Faculty & Professional Learning Communities that are offered online, hybrid, and/or in-person**

### Design Learner Centered Equitable Courses (ACUE)
