Final Catalog

2020-2021 Catalog

Provide reasons for the program suspension.

The graduate certificate program was designed to meet the needs of professional engineers interested in sharpening their skills in their specialty area. It is available to matriculated students in the Civil Engineering Graduate Program only. However, there has been no enrollment in this program for more than 6 years. Students enrolled in the graduate program tend to finish their graduate degree owing to the greater benefits of a master's degree instead of the certificate.

Indicate any programmatic or fiscal impact suspension of the program will have on other academic units' programs.

None. This program is only available to matriculated students in the Civil Engineering Graduate Program.

Describe the consultation that has occurred with affected units.

N/A

Explain provisions to ensure currently enrollment students have a reasonable opportunity to complete the program.

There are no students currently enrolled in the program.

Indicate what resources will be freed up or shifted to other programs as the result of the program suspension.

N/A

Academic Group: (College)

Engineering & Computer Science

2020-2021 Catalog

Type of Program Proposal:

Certificate

Title of the Program:

Certificate in Wastewater Treatment

Catalog Description:

Program Description

Operating and maintaining the infrastructure system and consistently meeting those public health and environmental objectives are the operators of wastewater treatment plants and wastewater collection systems. The Wastewater Treatment Plant Operator Certificate program is designed to provide students with the technical, scientific, and application background to obtain licensure and the knowledge, skills, and abilities to completely work in the wastewater treatment industry.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)

Program Requirements

The Certificate is offered by the College of Business Administration and is administered by the Sacramento State College of Continuing Education (<https://www.cce.csus.edu/wastewater-treatment-plant-operation-specialist-certificate-program/>).
