Justification for course proposal:

We currently require our Geology majors to attend at least 16 colloquia prior to graduation. However, the students are not required to submit any assignments associated with their attendance or receive any academic credit. Making this an official course requirement will also help with tracking whether students have completed the requirement.

Course Description: (Not to exceed 80 words and language should conform to catalog copy.)

Students will attend and participate in the joint Geology, Environmental Studies, Ecology weekly colloquium series and will be exposed to a variety of geologic and environmental topics. Speakers include those from CSUS, the USGS, government and professional organizations, and other academic institutions. Topics and speakers vary each semester.
