Catalog Description:
Units required for Major: 52-55 (40-43 CSAD courses + 12 major prerequisites)
Total units required for BS: 120

Program Description

A student must have a 2.5 GPA in the major in order to graduate with a Bachelor of Science Degree in Communication Sciences and Disorders. To achieve this GPA, students may repeat up to a maximum of 16 units of coursework in the major in courses for which grades of C- or below were earned, contingent upon their eligibility to do so under the campus policy on repeating courses. Repeated course grades will either be forgiven or averaged with the new grade according to the campus policy on repeating courses. Students must complete the major prerequisites before beginning courses in Communication Science and Disorders.

Undergraduate courses are designed for students to begin in the fall semester and progress in a proscribed sequence.

It is strongly recommended that students:

- Take a course in physics and/or chemistry as some programs offering the Master's Degree in Speech-Language Pathology or Communication Sciences and Disorders will require it.
- Finish all Undergraduate General Education units before beginning major coursework.

As defined by policyhttp://www.csus.edu/umanual/acadaff/fsm00010.htm, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the "Program Change Type" field above to ensure that "Substantive" is selected.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)

Reviewer Comments:

Kisun Nam (knam) (Tue, 16 Apr 2019 23:13:37 GMT): Rollback: Committee voted to revise & resubmit. Please refer to the discussion at the meeting. Committee members from the department will provide detailed changes to the chair/author. Once re-submitted, Academic Council will review the proposal.

Robert Pieretti (sac19804) (Mon, 22 Apr 2019 21:02:48 GMT): Deaf 51 should remain 3 units for two reasons: 1. We do not know if the 4 unit change will be approved. 2. Our degree evaluator reminded us that the content (not the unit value) of Deaf 51 is the actual pre-major requirement.

212408496 (Fri, 31 May 2019 21:04:46 GMT): Rollback: The 2018-2019 AY has come to a close; proposals were accepted for review until April 20, 2019. Unfortunately, this proposal was received after this deadline and will need to be resubmitted to Academic Services at the start of the fall 2019 semester.
