Final Catalog

2021-2022 Catalog

Provide reasons for the program suspension.

Liberal Studies majors have the option of completing one of following two paths as part of the curriculum: 1) concentration in a discipline/area of emphasis 2) a minor The foreign language concentration in Liberal Studies states that students may complete a minor in any foreign language. This concentration is redundant, since students may complete a minor in any discipline. Students would still be able to complete a minor in a world language as part of the Liberal Studies major upon deletion of this concentration.

Indicate any programmatic or fiscal impact suspension of the program will have on other academic units' programs.

None.

Describe the consultation that has occurred with affected units.

No consultation necessary. The existing concentration is redundant.

Explain provisions to ensure currently enrollment students have a reasonable opportunity to complete the program.

Deletion of this concentration does not affect students' ability to complete a minor in foreign language as part of their Liberal Studies curriculum.

Indicate what resources will be freed up or shifted to other programs as the result of the program suspension.

Not applicable.

Program Description

The Liberal Studies program is an interdisciplinary major, which encompasses a wide variety of areas of knowledge in a multidisciplinary curriculum. The program provides a broad academic program that encourages academic excellence, diversity, community, and collaboration. There are two tracks in the Liberal Studies Program: Pre-Credential and General.

•The Pre-Credential program is a multidisciplinary major designed for students who intend to become K-8 or special education teachers in California, and it has been approved by the California Commission on Teacher Credentialing. Its purpose is to provide beginning teachers with a strong grounding in the wide ranging subject matter that will be needed to be effective teachers. The core section is comprised of courses in reading, language and literature, mathematics, natural science, history and social sciences, visual and performing arts, physical education, human development, and health. The Pre-Credential program requires a 12-unit concentration.

•The General program is designed for students who are interested in a multidisciplinary major, but who do not necessarily plan to become teachers. The Liberal Studies major is an excellent preparation for careers in government service, public administration,

business, management, community service, counseling, law, librarianship, public health, as well as professional or graduate school. This major requires students to include a minor.

The Liberal Studies major is a complex program requiring early and continuing contact with an adviser. Students meet with an adviser at least once each semester to provide a hands-on approach to learning. Students must complete 120 units and meet the University foreign language requirement in order to earn a Bachelor of Arts degree. Students are urged to obtain advice as early as possible to avoid delays in the completion of these requirements. The Liberal Studies program director and faculty and staff advisers are located in Lassen Hall 2008, (916) 278-6342.

Admission Requirements: Course prerequisites and other criteria for admission of students to the degree major program, and for their continuation in it.

Minimum Grade Requirement

A minimum grade of 'C-' is required in all courses applied to the Liberal Studies major.

Requirements for Concentrations (Pre-Credential Program)

All concentrations require a minimum of 12 units, 3 of which may overlap with the core course requirements (except for concentration in multicultural studies). Students who wish to complete requirements for a supplementary authorization in any CCTC-approved discipline, which allows them to teach the subject matter typically taught in grades K-9, should see an adviser for important information.

Requirements for the General Program

Students who are following the General Liberal Studies program will complete a minor instead of a concentration. Please talk to an adviser for more information.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)
