2021-2022 Catalog

Type of Program Proposal:

Minor

Title of the Program:

Minor in Knowledge Management Technology

Catalog Description:

Units required for the Minor: 19

Program Description

The minor in Knowledge Management Technology prepares students to become knowledge workers in their chosen concentration areas of study. It places emphases on the discovery of knowledge through traditional and contemporary techniques, and the application of knowledge through analysis and critical thinking using IT as the primary means for these activities.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)
