Program Change Type:

Non-Substantive

Title of the Program:

BA in Liberal Studies (Physical Education)

Designation: (degree terminology)

Bachelor of Arts

Briefly describe the program proposal (new or change) and provide a justification:

Liberal Studies majors complete an extensive, interdisciplinary core curriculum. In addition to satisfying the interdisciplinary core curriculum, students are required to complete additional coursework that is focused on an area of study in the form of a concentration or a minor. A concentration requires 12 units of coursework as defined in the concentration curriculum.

Recent curricular changes implemented by the Kinesiology program affected the ability of Liberal Studies majors to complete the Physical Education concentration as currently written in the catalog. Specifically, course prerequisites were added to the courses listed, and total units associated with courses were changed. These changes increased the effective units required to complete the Physical Education concentration.

In consultation with the Kinesiology faculty and the Liberal Studies Council, we are proposing changes to the Physical Education concentration in Liberal Studies to address the aforementioned curricular changes. There are changes to neither the units in the concentration (12 units), nor to units to degree for Liberal Studies majors. Consultation with the Kinesiology representative on Faculty Council is attached in the form of email correspondence and minutes from the Liberal Studies Council March 2020 meeting.

Objectives of the degree program:

Will this program be required as part of a teaching credential program, a single subject, or multiple subject waiver program (e.g., Liberal Studies, Biology) or other school personnel preparation program (e.g., School of Nursing)?

Yes

For the Council for the Preparation of School Personnel (to be filled out with assistance of your department chair):

Does this program change impact your department's currently written Program Standards Document?

Yes

Program Standards: Please include suggested language changes.

None required.

Common Standards: In what way does this course or program change impact the currently written Common Standards document? Please include any suggested language changes.

It does not impact the currently written Common Standards document.

Is this change in response to program or unit assessment activities?

No

Will this program introduce any new or changes to program assessments?

No

Do these changes impact the Smart Planner roadmap?

No

Catalog Description:

Units required for Major: 100-103

Total units required for BA: 120

Program Description

The Liberal Studies program is an interdisciplinary major, which encompasses a wide variety of areas of knowledge in a multidisciplinary curriculum. The program provides a broad academic program that encourages academic excellence, diversity, community, and collaboration. There are two tracks in the Liberal Studies Program: Pre-Credential and General.

- The Pre-Credential program is a multidisciplinary major designed for students who intend to become K-8 or special education teachers in California, and it has been approved by the California Commission on Teacher Credentialing. Its purpose is to provide beginning teachers with a strong grounding in the wide ranging subject matter that will be needed to be effective teachers. The core section is comprised of courses in reading, language and literature, mathematics, natural science, history and social sciences, visual and performing arts, physical education, human development, and health. The Pre-Credential program requires a 12-unit concentration.

- The General program is designed for students who are interested in a multidisciplinary major, but who do not necessarily plan to become teachers. The Liberal Studies major is an excellent preparation for careers in government service, public administration, business, management, community service, counseling, law, librarianship, public health, as well as professional or graduate school. This major requires students to include a minor.

The Liberal Studies major is a complex program requiring early and continuing contact with an adviser. Students meet with an adviser at least once each semester to provide a hands-on approach to learning. Students must complete 120 units and meet the University foreign language requirement in order to earn a Bachelor of Arts degree. Students are urged to obtain advice as early as possible to avoid delays in the completion of these requirements. The Liberal Studies program director and faculty and staff advisers are located in Lassen Hall 2008, (916) 278-6342.

Admission Requirements: Course prerequisites and other criteria for admission of students to the degree major program, and for their continuation in it.

Minimum Grade Requirement

A minimum grade of 'C-' is required in all courses applied to the Liberal Studies major.

Requirements for Concentrations (Pre-Credential Program)

All concentrations require a minimum of 12 units, 3 of which may overlap with the core course requirements (except for concentration in multicultural studies). Students who wish to complete requirements for a supplementary authorization in any CCTC-approved discipline, which allows them to teach that subject in grades K-9, should see an adviser for important information.

Requirements for the General Program

Students who are following the General Liberal Studies program will complete a minor instead of a concentration. Please talk to an adviser for more information.

As defined by policy <http://www.csus.edu/umannual/acadaff/fsm00010.htm>, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the 'Program Change Type' field above to ensure that 'Substantive' is selected.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)

- 1 The Core Requirements for the General program are similar to the Core Requirements for the Pre-Credential I program except there are a number of substitutions that can be made. Please see an adviser for more information.
- 2 Course also satisfies General Education (GE)/Graduation Requirement.
- 3 Course to meet critical thinking requirement. See adviser for specific options.
- 4 Students who complete a mathematics concentration may substitute MATH 30, MATH 31, and MATH 35 for the above requirements. In addition, there are other ways of completing a concentration in mathematics. For further information on a concentration in mathematics, please consult the mathematics adviser in Liberal Studies.
