Type of Program Proposal:

Minor

Program Change Type:

Substantive

Title of the Program:

Minor in Asian Studies

Designation: (degree terminology)

Minor

Briefly describe the program proposal (new or change) and provide a justification:

Our current minor is 24 units. This is too high of a barrier to encourage students to seek the minor. Many students express an interest in the minor but have difficulty fulfilling the specific requirements of 4 required class plus 4 electives. This also simplifies the pathway, down to 2 required courses and offers more flexibility.

*NOTE: We are currently making substantive program revisions in Asian Studies, formulating new courses and changing our major and minor. Currently, no general Asian Studies BA exists. We have 4 BA degrees by concentration: Chinese, Japanese, Korean, South and Southeast Asian (36 units). To clarify the variety of changes in the Asian Studies Program, I am summarizing below what we are doing.

(1) We are creating a new general Asian Studies BA (39 units).

(2) We are creating new Asian Studies (ASIA) coded courses to fulfill the requirements and create new electives.

(3) New courses include: ASIA 1 (required for major and minor), ASIA 111 (elective, required for minor). Revised courses: ASIA 198 (required for major and minor)

(4) We will discontinue the 4 concentrations as soon as possible.

(5) We are revising our current Minor in Asian Studies from 24 to 18 units. Now, two ASIA coded pan-Asia courses will be required, many optional electives remain.

(6) We are migrating the curriculum of the concentrations to proposed 18-unit minors.

(7) The concentrations in Korean Studies and South/Southeast Asian Studies will become minors.

(8) The concentrations in Chinese and Japanese Studies may become minors; currently discussions with interested faculty are taking place.

Objectives of the degree program:

The minor is designed to augment students interest in another subject but who have a particular interest in Asia, whether through business, culture, heritage, etc. This minor offers regional specific content and we anticipate a growth in students seeking the minor and taking courses in the program.

University Learning Goals

Undergraduate Learning Goals:

Competence in the disciplines

Knowledge of human cultures and the physical and natural world

Will this program be required as part of a teaching credential program, a single subject, or multiple subject waiver program (e.g., Liberal Studies, Biology) or other school personnel preparation program (e.g., School of Nursing)?

No

Catalog Description:

Units required for Minor: 18, twelve of which must be in upper division

Program Description

The minor offers students a foundation to understand the dynamic changes across the region of East, South, and Southeast Asia through required pan-Asia courses that compare and analyze the region in comparative perspective. Students will develop a framework to explore Asia from an interdisciplinary perspective, and may choose to focus their interests through elective offerings.

Admission Requirements: Course prerequisites and other criteria for admission of students to the degree major program, and for their continuation in it.

none

As defined by policy <http://www.csus.edu/umannual/acadaff/fsm00010.htm>, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the 'Program Change Type' field above to ensure that 'Substantive' is selected.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)
