Academic Group: (College)

Health & Human Services

Academic Organization: (Department)

Communication Sciences and Disorders

Catalog Year Effective:

2022-2023 Catalog

Individual(s) primarily responsible for drafting the proposed degree major program:

Name (First Last)	Email	Phone 999-999-9999
Heather Thompson	heather.thompson@csus.edu	916-278-6654

Type of Program Proposal:

Major

Program Change Type:

Non-Substantive

Title of the Program:

BS in Communication Sciences and Disorders

Designation: (degree terminology)

Bachelor of Science

Briefly describe the program proposal (new or change) and provide a justification:

We would like to clarify the wording in the catalog and add verbiage to CMS to clarify the GPA requirements for graduation from the CSAD program. Currently, the wording in CMS is vague and confusing.

In CMS, we would like the following statement on the Degree Requirements page to align with the same catalog language: "In addition to obtaining a 2.0 in the overall 52-55 unit major, a student must achieve an overall average 2.5 GPA in the 40 units of required CSAD major coursework in order to graduate with a Bachelor of Science Degree in Communication Sciences and Disorders. In order to achieve these GPAs, students may repeat courses for which grades of C- or below were earned, contingent upon their eligibility to do so under the campus policy on repeating courses. Repeated course grades will either be forgiven or averaged with the new grade according to the campus policy on repeating courses. Students must complete the major prerequisites before beginning courses in Communication Science and Disorders."

Objectives of the degree program:

To allow undergraduate students to complete the requirements needed for a bachelor's of science degree in communication sciences and disorders. To enable students to complete required coursework to be eligible to apply to graduate programs in speech-language pathology, audiology, and/or communication sciences and disorders.

University Learning Goals**Undergraduate Learning Goals:**

Competence in the disciplines
 Knowledge of human cultures and the physical and natural world
 Personal and social responsibility
 Intellectual and practical skills

Will this program be required as part of a teaching credential program, a single subject, or multiple subject waiver program (e.g., Liberal Studies, Biology) or other school personnel preparation program (e.g., School of Nursing)?

Yes

For the Council for the Preparation of School Personnel (to be filled out with assistance of your department chair):

Does this program change impact your department's currently written Program Standards Document?

No

Common Standards: In what way does this course or program change impact the currently written Common Standards document? Please include any suggested language changes.

It does not impact the standards document.

Is this change in response to program or unit assessment activities?

No

Will this program introduce any new or changes to program assessments?

No

Do these changes impact the Smart Planner roadmap?

No

Catalog Description:**Units required for Major: 52-55 (40-43 CSAD courses + 12 major prerequisites)****Total units required for BS: 120**

Program Description

In addition to obtaining a 2.0 in the overall 52-55 unit major, a student must achieve an overall average 2.5 GPA in the 40 units of required CSAD major coursework in order to graduate with a Bachelor of Science Degree in Communication Sciences and Disorders. In order to achieve these GPAs, students may repeat courses for which grades of C- or below were earned, contingent upon their eligibility to do so under the campus policy on repeating courses. Repeated course grades will either be forgiven or averaged with the new grade according to the campus policy on repeating courses. Students must complete the major prerequisites before beginning courses in Communication Science and Disorders.

Undergraduate courses are designed for students to begin in the fall semester and progress in a proscribed sequence.

It is strongly recommended that students:

- Take a course in physics and/or chemistry as some programs offering the Master's Degree in Speech-Language Pathology or Communication Sciences and Disorders will require it.
- Finish all Undergraduate General Education units before beginning major coursework.

Admission Requirements: Course prerequisites and other criteria for admission of students to the degree major program, and for their continuation in it.

A course in:

- 1) Human Development throughout the lifespan
- 2) Introduction to Statistics
- 3) Introduction to Psychology
- 4) Sign language

Students must earn a GPA of 2.5 in CSAD coursework to graduate from the major.

As defined by policy <http://www.csus.edu/umannual/acadaff/fsm00010.htm>, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the "Program Change Type" field above to ensure that "Substantive" is selected.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)
