**Reviewer Comments:**

**Emily Potts (emily.potts) (Wed, 15 Sep 2021 19:00:30 GMT):** Dear Professor Mayes, The committee would like to clarify that this course deactivation will remove this course number from the catalog. If you would like to use this course number in the future, you will need to submit a new course proposal. Although this course is not part of your degree requirements, you may also be asked in subsequent subcommittees how removing this course will affect your ability to offer an adequate number of electives for your degree programs. It appears that this course is cross listed with HRS 205. You must provide evidence of consultation with that department. Please send an email of the evidence to our committee chair. Sincerely, Emily Potts

**Alyson Buckman (abuckman) (Wed, 22 Sep 2021 22:42:56 GMT):** Email received by HRS from Phil about this course deactivation; email filed for further reference.
