Type of Program Proposal:

Minor

Program Change Type:

Non-Substantive

Title of the Program:

Minor in Risk Management and Insurance

Designation: (degree terminology)

Minor

Briefly describe the program proposal (new or change) and provide a justification:

The department decided to remove the "Note" under "Program Description". This is to be consistent with the other minor program of the department. The department has consulted the Department of Information System & Business Analytics which offers MIS 10 about this removal, and received the consent.

Objectives of the degree program:

The minor in Risk Management and Insurance is designed for students interested in supplementing their non-business majors with a broad overview of business concepts and specifically with risk management principles and concepts as applied in their various disciplines. Majors in Communication Studies, Recreation and Leisure Studies, Nursing, Criminal Justice, and Engineering may find the minor especially beneficial.

University Learning Goals**Undergraduate Learning Goals:**

Competence in the disciplines
 Knowledge of human cultures and the physical and natural world
 Integrative learning
 Personal and social responsibility
 Intellectual and practical skills

Will this program be required as part of a teaching credential program, a single subject, or multiple subject waiver program (e.g., Liberal Studies, Biology) or other school personnel preparation program (e.g., School of Nursing)?

No

Catalog Description:

Units required for the Minor: 12, of which at least nine upper division units must be taken in residence.

Program Description
