Type of Program Proposal:

Concentration

Program Change Type:

Non-Substantive

Title of the Program:

BA in Anthropology (General Anthropology)

Designation: (degree terminology)

Bachelor of Arts

Briefly describe the program proposal (new or change) and provide a justification:

** Addition of ANTH 132 Health, Culture, Power. Topics in Medical Anthropology and ANTH 133: Life of Primates to the General Electives Course List. ANTH 132 is a newly proposed course currently going though Curriculum Workflow. Addition of ANTH 132 and 133 increases the selection of courses available for students to complete their general major elective requirements. Each course pertains to an area of individual faculty expertise, increasing the ability of students to choose elective coursework that furthers their education and career goals.

Objectives of the degree program:

General Anthropology (GA): constitutes a solid liberal arts foundation that prepares students for careers and graduate studies in fields that call for a broad exposure to anthropological knowledge. Students, under the guidance of a faculty advisor, can also choose to customize a program of study to pursue individualized academic or professional interests.

University Learning Goals

Undergraduate Learning Goals:

Competence in the disciplines Knowledge of human cultures and the physical and natural world Integrative learning Personal and social responsibility Intellectual and practical skills

Will this program be required as part of a teaching credential program, a single subject, or multiple subject waiver program (e.g., Liberal Studies, Biology) or other school personnel preparation program (e.g., School of Nursing)?

Do these changes impact the Smart Planner roadmap?

No

Catalog Description: Units required for Major: 52, includes units of study in chosen concentration Total units required for BA: 120

Program Description

The General Anthropology concentration introduces students to the fundamentals of archaeological, biological, sociocultural and linguistic anthropology. It constitutes a good liberal arts foundation that will help students pursue advanced studies and/or careers in diverse fields.

Admission Requirements: Course prerequisites and other criteria for admission of students to the degree major program, and for their continuation in it.

Minimum Grade Requirement

Except for General Electives, all requirements must be completed with a grade of "C-" or better.

As defined by policy http://www.csus.edu/umanual/acadaff/fsm00010.htm, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the "Program Change Type" field above to ensure that "Substantive" is selected.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)
