Type of Program Proposal:

Minor

Program Change Type:

Substantive

Title of the Program:

Minor in Recreation Management

Designation: (degree terminology)

Minor

Briefly describe the program proposal (new or change) and provide a justification:

We are proposing changes to the name of the minor as well as a reduction in the number of units. We are proposing a name change to better reflect the management content. We are also proposing a reduction in units from 18 to 15 (for consistency, the department's other minors are also 15 units). The reduction in units is achieved by reducing the number of electives from 15 units to 12 units. We also reduced the number of choices of required courses from 4 to 1.

The Minor in Recreation Administration originally covered all areas of the department. Due to EO 1071, RPTA now has three separate bachelor's degrees. New minors in Park Management and Hospitality and Tourism Management are being created, and the existing minors in Non-Profit Management and Recreation Management are being edited to create a more specific focus.

Note: This is not a pilot program nor is it a fast track program but we had an issue with the system not letting us click the boxes in the form.

Objectives of the degree program:

To introduce non-RPTA majors to this subject matter and to teach them about careers within the scope of recreation management and related professions.

University Learning Goals

Undergraduate Learning Goals:

Competence in the disciplines
Intellectual and practical skills

Will this program be required as part of a teaching credential program, a single subject, or multiple subject waiver program (e.g., Liberal Studies, Biology) or other school personnel preparation program (e.g., School of Nursing)?

No

Catalog Description:

Units required for Minor: 15

Program Description

The Minor in Recreation Management is designed for non-RPTA majors interested in learning about career areas within the recreation field. This broad set of industries can lead to careers in experiential education, community sports (for youths, teens, and adults), outdoor leadership, campus recreation, activity programming, military recreation, intramural league programming, and adventure recreation.

The minor requires 15 units, all of which must be taken in Recreation, Parks, and Tourism Administration. At least 9 units must be upper division, with at least 9 upper division units taken in residence at Sacramento State.

Admission Requirements: Course prerequisites and other criteria for admission of students to the degree major program, and for their continuation in it.

Minimum Grade Requirement

A grade of "C-" or better is required in all upper division courses applied to the minor.

As defined by policy http://www.csus.edu/umanual/acadaff/fsm00010.htm, a change in units constitutes a substantive change to the program. If your changes constitute a substantive change, please refer back to the "Program Change Type" field above to ensure that "Substantive" is selected.

Program Requirements: (If new courses are being created as part of a new program, it will be useful to propose courses first.)
