Reviewer Comments:

Torsa Ghosal (torsa.ghosal) (Tue, 07 Sep 2021 18:24:31 GMT): Suggested changes: 1. Please mention the change in pre-req credit units (going from 6 units to 9) in the justification. 2. While listing the pre-requisites, add semi colon in place of comma after Phil 61 to avoid any confusion. 3. Streamline the learning outcomes, preferably using verbs from the Bloom's taxonomy. For example, "summarize and critique philosophical essays" reads like an assessment strategy rather than a learning outcome. 4. Attach a full syllabus instead of a reading list. 5. Mention which assessments map onto which learning outcomes. 6. In the sentence, "182 Ethical Theory will now be one of 4 upper division 180+ majors courses," preferably change 180+ to 180-level course for clarity. Thanks!

Alyson Buckman (abuckman) (Wed, 15 Sep 2021 16:57:25 GMT): Rollback: Dear Randy, please see requested edits submitted by Torsa Ghosal on behalf of the Committee. The prerequisites should align with the justification. A few additions: Please make clear the name change. If you are going to include the program review element, please describe what was requested, i.e. what you are responding to (or get rid of program review portion). Please send me an email when you have updated the proposal so that we can move it on in the process. Let me know if you have any questions.
