Changes proposed by: Heidy Sarabia (216313995)

Academic Group: (College)

Academic Organization: (Department)

Catalog Year Effective:

2022-2023 Catalog

Name (First Last)	Email	Phone 999-999-9999
Heidy Sarabia	heidy.sarabia@csus.edu	916-278-7574

Type of Program Proposal:

Major

Program Change Type:

Non-Substantive

Title of the Program:

BA in Sociology

Designation: (degree terminology)

Bachelor of Arts

Briefly describe the program proposal (new or change) and provide a justification:

Five changes are being submitted:

1. A change Soc 2 to rectify a curriculum error: Soc 2 is not a lower division requirement for declaring the sociology major, but a lower division course required for the sociology majors. Hence, we have moved it to the list of required courses for the major—thus moving it out of the pre-major. Thus, Soc 2 should be a class taken by students who have declared sociology as their major, it is not a lower division course open to all students;

2. A change to update curriculum offerings: List of elective courses under the sociology major is being updated to include: Soc 193A and Soc 193B, new upper division courses that had not been added to the list of the upper division electives students can take, and we are adding them now; and deleting the 196 series that is no longer taught in the department;

3. A change to update curriculum to reflect advising practices: We also moved the "Advanced Required Classes" to be part of the list of electives; that is, students can take these classes as part of the list of elective courses;

4. A change to clarify eligibility for pre-major: We also deleted any requirements of enrolling in upper division courses to declare the pre-major.

5. A Program Learning Outcome update to make it more measurable: Finally, the department is currently meeting to discuss and update program learning outcomes. But we have decided to change PLO #2 for now to be "Apply critical thinking skills to the analysis of social problems" to make it more concrete and measurable.
