GERO - Gerontology

Catalog Number: (course number)

200

Course ID: (For administrative use only.)

136076

Units:

3

Is the ONLY purpose of this change to update the term typically offered or the enforcement of existing requisites at registration?

No

In what term(s) will this course typically be offered?

Fall, Spring

Does this course require a room for its final exam?

Yes, final exam requires a room

Course Description: (Not to exceed 90 words and language should conform to catalog copy.)

Exposure to and analysis of positive and negative functional consequences arising from age related changes and illnesses in elders. Content elucidates changes and their effects on elders' levels of wellness using interdisciplinary research and holistic, life course frameworks. Screening assessments, interventions, community resources and services, and ethical issues are addressed for each topic. Caregiving issues and solutions are explored within life span and problem solving frameworks.

Fee Course?

No

Is this course designated as Service Learning?

No
