Changes proposed by: Sadaf Ashtari (219700248)

Justification for this deactivation request

This course is being deactivated due to outdated and obsolete content that no longer aligns with current industry standards, student needs, or program objectives. The subject matter is either covered through more current offerings in the curriculum or no longer relevant as a standalone college-level course. Deactivating this course will help maintain an accurate and up-to-date course inventory for the department.

Catalog Title:

Data Management

Class Schedule Title:

Data Management
