Justification for course proposal:
This course proposal is being submitted to correct the S-factor to be 0.25 WTUs per student. This is a clinical internship course with a need for liaison units associated with it. We need this change to take place so faculty workload can track as correct, so it needs to be listed as a workload of S1. We are also adding internship to the title so that it is more clear to students considering the program. We also needed to add two learning outcomes.

Course Description: (Not to exceed 90 words and language should conform to catalog copy.)
Supervised clinical practice in audiology with an emphasis on refining clinical skills and working independently in preparation for the externship.
