### **Best Practices and Tips**

1. Proposed changes could be rollback for a variety of reasons. If so, an accompanied email will explain who rolled it back and why. This email will include a link to open the form and make changes. **This is a one-time email!** It is recommended to set up an email rule to help track these emails.

2. When copying content from another source (e.g., webpage, Word document, email, etc.):

3. Send new degree designations to Academic Services at least 30 days prior to submission of new program proposal to workflow.
