

OHS Search Candidate Preferences

Start of Block: Default Question Block

Q1 The Sacramento State Occupational Health and Safety Search Committee wants to support you in a successful interview experience. The following questions are anonymous in order to help us prepare and best support you during your interview.

Q2 Assuming the University, the Search Committee, and candidate would take all precautions to ensure everyone's safety (e.g., full vaccinations, COVID-19 testing, masking, use of air filtration systems in the classroom, sharing meals outside, and social distancing) and meet the COVID-19 University requirements. What is your preference for an in-person or virtual interview?

- ☐ I prefer an in-person interview
 - ☐ I have no preference
 - ☐ I prefer a virtual interview
-

Q3 Are there mobility needs the committee should consider and prepare for when visiting the campus? Sacramento State is a sprawling campus that might require additional assistance to navigate.

- ☐ I have mobility needs that I will communicate with the Sacramento State Human Resources Department.
 - ☐ I do not have any mobility needs.
-

Q5 Are there accommodations due to a disability the University should provide?

- ☐ Yes, I would benefit from accommodations due to a disability and will communicate with the Sacramento State Human Resources Department.
- ☐ No, I do not require accommodations.
-

Q4 Are there religious needs (e.g., a space for prayer, time for prayer) or other considerations (e.g., breastfeeding, time to check-in with family, moments for reflection) that the Committee can accommodate in planning the schedule for your interview day?

- ☐ Yes, I would benefit from these accommodations and will communicate with the committee chair (susan.perez@csus.edu).
- ☐ Yes, I would benefit from these accommodations and will communicate with Sacramento State Human Resources Department.
- ☐ No, I do not need any accommodations.
-

Q6 What else should the committee know to ensure a successful interview experience?
