Personal Statement

Name: _____

Student ID#: _____

Attach this **typed**, **personally** written statement of at least 100 words and not exceeding 250 words describing the activity/project. If you have a presentation, performance or exhibit, indicate the title and provide a summary of your activity/ project. **Attach a confirmation letter documenting your acceptance to perform/present to be considered for the ARA Program.**

The personal statement should include the purpose and duration of the activity/project and its potential benefits to you. Include any related course work. Please include a statement about your plans to share your conference experiences with other students on campus after returning (e.g. presenting same work for on-campus conference, presenting to lab mates that didn't attend, presenting to class about the experience, etc.).

Copied personal statements will **NOT** be accepted. **Do NOT plagiarize.**
