

2013-2014 ANNUAL ASSESSMENT REPORT TEMPLATE

This template intends to make our annual assessment and its reports simple, clear, and of high quality not only for this academic year but also for the years to come. Thus, it explicitly specifies some of the best assessment practices and/or expectations implied in the four WASC assessment rubrics we have used in the last few years (see the information below* that has appeared in Appendices 1, 2a, 2b, and 7 in the *Feedback for the 2011-2012 Assessment Report*; Appendix 2 in the *Feedback for the 2012-2013 Assessment Report*, and Appendices 5 to 8 in the *2013-2014 Annual Assessment Guideline*).

We understand some of our programs/departments have not used and/or adopted these best practices this year, and that is okay. You do not need to do anything extra this year, and ALL YOU NEED TO DO is to report what you have done this academic year. However, we hope our programs will use many of these best practices in the annual assessment in the future.

We also hope to use the information from this template to build a digital database that is simple, clear, and of high quality. If you find it necessary to modify or refine the wording or the content of some of the questions to address the specific needs of your program, please make the changes and highlight them in red. We will consider your suggestion(s). Thank you!

If you have any questions or need any help, please send an email to Dr. Amy Liu (liuqa@csus.edu), Director of University Assessment. We are looking forward to working with you.

*The four WASC rubrics refer to: 1) WASC “Rubric for Assessing the Quality of Academic Program Learning Outcomes”; 2) WASC “Rubric for Assessing the Use of Capstone Experience for Assessing Program Learning Outcomes”; 3) WASC “Rubric for Assessing the Use of Portfolio for Assessing Program Learning Outcomes”; and 4) WASC “Rubric for Assessing the Integration of Student Learning Assessment into Program Reviews”.

Question 1 (Q1): Program Learning Outcomes (PLO) Assessed in 2013-2014.

Q1.1. Which of the following program learning outcomes (PLOs) or Sac State Baccalaureate Learning Goals did you assess **in 2013-2014?** (See 2013-2014 Annual Assessment Report Guidelines for more details). [CHECK ALL THAT APPLY]

	19. Others. Specify any PLOs that were assessed in 2013-2014 but not included above:
	a.
	b.
	c.

* One of the WASC's new requirements is that colleges and universities report on the level of student performance **at graduation** in five core areas: **critical thinking, information literacy, written communication, oral communication, and quantitative literacy.**

Q1.1.1. Please provide more detailed information about the PLO(s) you checked above:

Past annual assessments have not required a separate assessment for each program, only one for the department. For the past year, the department focused heavily on renewing its national accreditation for the two undergraduate concentrations. For the past year, the graduate program did not perform a separate assessment.

The graduate program did, however, make two important steps during 2013-2014.

1. The graduate program committee created a set of graduate learning goals and objectives (Appendix A). In the past, the program has informal learning goals and objectives not based on national accreditation. The four learning objectives loosely followed the accreditation areas of the undergraduate program and have been used on and off up until 2011-2012. The newly developed goals and objectives will give the department something to measure during the 2014-2015 academic year. Again, because of the significance and workload required for the national accreditation self-study and visit for the undergraduate program, no assessment was done on the graduate program from 2013-2014.

2. Department faculty worked with faculty from San Francisco State University and California State University, Chico to create a *regional graduate collaborative*. While we did not shut down the graduate program here at Sacramento State for the 2013-2014 academic year, the grad program was in flux and courses were very limited for students with the idea that the program would begin in full under the new collaborative in fall 2014.

Q1.2. Are your PLOs closely aligned with the mission of the university? **N/A**

	1. Yes
	2. No
	3. Don't know

Q1.3.1. If yes, are your PLOs closely aligned with the mission/goals/outcomes of the accreditation agency? **N/A**

	1. Yes
	2. No
	3. Don't know

Q1.4. Have you used the *Degree Qualification Profile* (DQP)* to develop your PLO(s)? **N/A**

	1. Yes
	2. No, but I know what DQP is.
	3. No. I don't know what DQP is.
	4. Don't know

* **Degree Qualifications Profile (DQP)** – a framework funded by the Lumina Foundation that describes the kinds of learning and levels of performance that may be expected of students who have earned an associate, baccalaureate, or master's degree. Please see the links for more details:
