Question 2: Standard of Performance for the Selected PLO

Q2.1.

Select **OR** type in **ONE(1)** PLO here as an example to illustrate how you conducted assessment (be sure you checked the **correct box** for this PLO in Q1.1):

Integrative and Applied Learning

If your PLO is **not listed, please enter it here:**

Q2.1.1.

Please provide more background information about the **specific PLO** you've chosen in Q2.1.

Each semester RPTA 136: Program and Event Planning raise between \$10,000-\$15,000 for non-profit (or government or tax-supported) agencies in the Sacramento region. This is a core course for all RPTA majors, regardless of concentration. Students work in teams of two and are required to select an agency, work with the agency to plan, market and administer a fundraising event, and then evaluate the event's success/failure. This is a course taken by seniors in the program and it incorporates several PLOs. Because the assignment is real-life and not hypothetical, it is one of the most appropriate assignments to meet the PLO of Integrative and Applied Learning.

Q2.2.

Has the program developed or adopted **explicit program standards of performance/expectations** for this PLO? (e.g. "We expect 70% of our students to achieve at least a score of 3 or higher in all dimensions of the Written Communication VALUE rubric.")

- 1. Yes
- 2. No
- 3. Don't know
- 4. N/A

Q2.3.

Please **1) provide and/or attach the rubric(s) AND 2) the standards of performance/expectations** that you have developed for *the selected PLO* here:

The Student Evaluation shows the points possible for different components of the final project. This file also shows the form for the narrative evaluation the instructor gives students on various components of the program.

The second attachment includes other evaluations that are completed for the project by students and the partnering agency. Please see the Table of Contents for a list of what is contained in this attachment. (Note that the budget is an example and that students do not pay for their projects. Part of their work during the semester is to get items/marketing/space donated - but they need a budget in order to begin this task. Also, the Evaluation of Participants is not included in the manual as students will develop these based on their program and the agency's expected outcomes.)

The PLO of Integrated and Applied Learning is assessed by not only the instructor, but also the agency. (The agency evaluation can be found on pp. 37-38 of the second attachment for Q2.3.)

Of the 140 students that took RPTA 136 in the 2017-2018 year, 12 did not meet the 70% mark. For the year, 91.4% of the students scored 70% or higher on the project, although not all on their first attempt. Eight students in the spring courses were taking the course for the second time.

Q4.2.

Are students doing well and meeting the program standard? **If not**, how will the program work to improve student performance of the selected PLO?

Students generally perform well. Students that do not meet the standard for the PLO do not pass the course and must repeat the class as it is a core class. Ultimately, all students that graduate meet this PLO.

Q5.2.1.

Please provide a detailed example of how you used the assessment data above:

This PLO is directly tied to our national accreditation, so the data is collected each year.

Currently the course is a bottleneck in RPTA due to a lack of tenure-track faculty to teach the class. The department has requested a Generalist position for next year in hopes of adding to the base of qualified faculty to teach the class. The position was not granted, so the department will ask again in a future year.

Q5.3. To what extent did you apply previous assessment feedback from the Office of Academic Program Assessment in the following areas?	1. Very Much	2. Quite a bit	3. Some	4. Not at All	5. N/A
1. Program Learning Outcomes	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q5.3.1.

Please share with us an example of how you applied **previous feedback** from the Office of Academic Program Assessment in any of the areas above:

There was no direct change in our assessment procedures from previous years, although the department is more aware of our shortcomings. The feedback is generally helpful - it's more a matter of having the time to make the desired changes.
