1. **Call to Order** – 3:05 pm
2. **Open Forum** - no open forum
3. **Approval of the Agenda** – Ana moved to approve the agenda and Abigail second it.
4. **Approval of Minutes** – Ana moved to approve the minutes, Abigail and Angela second it.
5. **From the Chair** – The ENGL 20 Learning Outcomes was sent back with a couple of updates. The question that Senate asked was intended to get rid of the introduction paragraph. We will refer to Angela on her thoughts about removing it. Angela mentioned that it seemed important as an existing policy and she will need to review it to see if the new outcomes match this old. Senate wants to hear back sooner rather than later. Does the committee want Angela to review it and trust her judgment? Senate wants our response by December 3. We will vote on this.

Ana moved to approve on having Angela review it and make suggestions; Marie second it. Angela abstains. It passed unanimously.

6. **Revised Race and Ethnicity Learning Objectives** – The R&E LO were sent back to us and they needed to be updated to reflect Senate language. The issue is that need to remove the old R& E outcomes that are crossed out. Senate will discuss about adopting it. Questions: Senate will need to discuss if we will need this after we have area F, are we going to need these Learning Objectives? Senate will decide if we need this at all. Given that we have area F – do we embrace it and should these LO be amended? It was sent to us for approval with the addition of striking out the old language. Are we ready to send it back to Senate with the suggested changes? Angela moves to approve this revised version. Ana second it. Jeff will send this back to senate.

GE assessment is still at Senate and they will review it and they will send it back to us for review.

7. **Adjournment** – meeting adjourned at 3:18 pm
