

SUBSTITUTE FACULTY APPOINTMENTS

THINGS TO KNOW BEFORE APPOINTING SUBSTITUTE FACULTY:

- Substitute faculty assignments are temporary replacement assignments intended to cover short-term faculty absences for up to 20 *CALENDAR* days (e.g., emergency leaves, jury duty, bereavement leaves). For more information, see Article 20.8 of the CFA/CSU Collective Bargaining Agreement.
- Contact HR for additional appointment information or if the assignment will exceed 20 days.
- Faculty employees considering an informal voluntary (unpaid) substitute arrangement of short duration with a CSUS colleague need to consult with their department chair for approval. This form is for paid assignments only - do not fill out if informal arrangements have been made.
- Tenure-track/tenured faculty CANNOT be paid as substitute faculty.
- Substitute assignments should be offered first to current qualified part-time faculty using the Preference for Available Temporary Work procedures specified in CBA Article 12.29. Substitute assignments do not increase the lecturer's entitlement. Substitute assignments are conditional.
- If substitute faculty is current CSUS temporary faculty, cumulative appointments *including substitute appointment* cannot exceed 15 WTUs.
- Substitute faculty are paid for actual hours worked in the classroom (i.e., contact hours with students). The hourly rates for Substitute faculty assignments include compensation for normal office hours, grading time, and prep time in relation to the course taught.
- A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with California State University, Sacramento. Failure to satisfactorily complete the background check may affect their employment status. A current CV/resume and transcript of highest degree (If a CSUS graduate, an unofficial printout from CMS will be accepted) are required to initiate the background check.
- The person holding this position is considered a "mandated reporter" under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in the California State University Executive Order 1083 as a condition of employment.
