

24. UNIVERSITY FINANCIAL STATEMENTS

Effective with the 2010-2011 Fiscal Year

Current state legislation no longer requires campus stand-alone reports; therefore, the “Reporting Package” documents for the *Statement of Revenues, Expenditures and Changes in Net Asset* and the *Statement of Net Assets* are no longer available.

The following consolidated reports are unaudited on a campus basis. These reports represent the Sacramento campus’ submission as part of the California State University’s system-wide financial reports.
