

HORNET BOOKSTORE

Spring 2021 Bookstore Loan Program

The **Sacramento State Hornet Bookstore** and **Bursar's Office** have teamed up to offer degree-seeking students a Bookstore Loan of up to \$2,000.00 per semester.

To support student success, this optional program is designed to help enrolled students charge all or a portion of their coursework essentials including required books, supplies, and/or a laptop to their student account for repayment.

In addition, during the promotional [Hornet Laptop Discount Program](#), students are invited to apply a \$250 CARES Grant towards an [eligible laptop](#) purchased through the Hornet Bookstore, and add the difference to their student account.

Students will be required to sign a contract (in-person) or agree to terms (online purchases) indicating their consent to post the charges to their student account each time they make a purchase.
