Comment 'Cards'

Comment

Several people suggested we have a presentation from University Marketing & Communications at future BPRT events to present on University Branding.

They have been contacted

Comment

We received positive feedback on the breakout session from October

We plan to have these in the future.

Sadly, the agenda was too impacted to plan one for this BPRT

Hopefully at the April event

Comment

A request was made that folks (in Zoom and in person) include their department along with their name.

We asked our Presenters to do this

Business Partners Round Table

About the Business Partners Round Table

Financial Services is committed to the delivery of the highest quality service in support of University goals. We know that the key to our success is partnering with campus service clients. Working with our University partners, we hope to make the business environment easy to navigate by clearly communicating requirements, simplifying procedures, learning about your needs, and working to design mutually satisfactory work processes.

One of the ways in which we are doing so is through the Business Partners Round Table and Business Matters at Sac State. Launched in the fall of 2005, Business Matters is a repository of the most up-to-date information to assist campus partners in their roles as public stewards. The website contains simple guidelines for conducting various business transactions with Sac State. The first Business Partners Round Table was also held in 2005 and continues to be a well-attended quarterly event for campus partners, where updates on topics ranging from audit and insurance to travel, budget and purchasing are shared.

Through the Business Partners Round Table, we hope to provide the most current information to help campus business partners succeed in their jobs.
