

Information Communications and Technology (ICT) Form Updates

“The Governmental Accounting Standards Board’s (GASB) Subscription-based Information Technology Arrangements Standard 96 (SBITA) requires that the university track the software subscriptions being used by the campus, both long-term (longer than 12 months) and short-term (12 months or less).

The Accounting Department is now reviewing ICT requests and may be in contact for further information.

New ICT Questions to be added 8/16/23

* Is this a multiyear contract?

- Yes
 No
 Not sure

* What are the contract dates?
