

Environmental Update - Fall 2025

Presentation to Business Partner's Roundtable

October 14, 2025

Bob Hitomi

Environmental Specialist

Environmental Update - Fall 2025

- Hazardous Materials/Waste Management
- Campus Universal Waste Recycling
- Storm Water Pollution Prevention

Hazardous Materials/Waste Management

- **Hazardous Materials (Safe Handling In Use)**
 - Hazardous Communication (HazCom) training
- **Hazardous Materials Spills**
 - Small Spills (EH&S can provide spill kits)
 - Large Spills (Contact EH&S)
- **Hazardous Waste Training (where applicable)**
 - Initial/Annual Refresher

Hazardous Waste Management

- **Common Hazardous Waste**
 - *Household Cleaning Chemicals*
 - *Oils, Lubricants, Paints*
 - *Pesticides, herbicides*
- **Hazardous Waste Handling**
 - *Proper Labeling*
 - *Submit Pickup Request Online*

Environmental Health & Safety Webpage For Hazardous Waste Pickups

health, safety and environmental regulations, and campus policies on environmental health and safety.

Safety Spotlight Summer 2023

The EH&S Industrial Hygiene team assisted Facilities Management and the Chemistry Department with exposure monitoring.

While we miss having students around campus, the summer provides an opportunity for many campus projects to be completed.
