- **Section E**: This section is in regards to how you want to be taxed on your paychecks. You are required to fill out ONE of the five multicolor boxes.*
  - Box I (Green): This box indicates you are wanting to be taxed regularly on each of your paychecks. You will indicate your marital status and the number of allowances you are claiming - for both federal and state tax. The number of allowances is indicated by a whole number, counting the number of people you are claiming including yourself. If you are being claimed on someone else’s taxes, you will want to claim 0.
  - Box II (Red): This box can be used to claim additional allowances for State tax. The regular allowances claimed will be for Federal tax.
• Box III (Blue): This box is to be filled out if you would like a specific amount to be deducted from your paychecks. You will need to enter a specific amount in the boxes asking for Federal and State deductions.

• Box IV (Orange): Checking off this box states that you are claiming exemption from Federal and State tax withholdings. You will not have any income tax withheld from your monthly paycheck because you are claiming no tax liability.

• Box V (Purple): Claiming nontaxable wages indicates the funding source of your paychecks is coming from one of the sources stated in box 5. Typically, students are funded either by the state or by federal work study, so this section may not apply to you.

• * For further explanations on taxes, please see the back side of the Employee Action Request Form.

• Section F: The address provided will indicate where your W-2s gets mailed to at the beginning of the year.

• Section G: If you have worked on another college campus or for a state agency, you will be able to fill in your previous employment here. If you have never worked for another campus or state agency, you may leave this section blank.

STATEMENT CONCERNING YOUR EMPLOYMENT IN A JOB NOT COVERED BY SOCIAL SECURITY

EMPLOYEE AND CAMPUS INFORMATION

Please be advised that your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension benefit may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two (2) ways your Social Security benefit amount may be affected.

1. Windfall Elimination Provision
Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job.

For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is $313.30. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit.

2. Government Pensions Offset Provision
Under the Government Pensions Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State, or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds (2/3) of the amount of your pension.

For example, if you get a monthly pension of $600 based on earnings that are not covered under Social Security, two-thirds of that amount, $400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a $1000 widow(er) benefit, you will receive $1100 per month from Social Security ($1000-$900 = $100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65.

REQUIRED SIGNATURE

I certify that I have received CSU FORM SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pensions Offset Provision on my potential future Social Security benefit.

Student Employee Start Date and End Dates

Hiring Managers may not authorize student employees to start work until they have received an official Employment Confirmation Notice from the Human Resources Student Employment Office. Student employees will receive their notice within 48 hours of completing all required HR/Payroll forms. Student employees are not allowed to work beyond their appointment end date.

Work Schedule

Hiring Managers should discuss the student employees work schedule with the student. Student Employee’s first role at Sacramento State is to be a student. It is important that the hiring manager remains flexible with student’s hours. It is the student’s responsibility to inform their manager of exams and papers ahead of time to allow the manager to plan around their school needs.

Student’s Hours

Student Employees are not allowed to work over 20 hours per week. This includes students who have multiple positions on campus. For example, a student who works 10 hours in one department can only work 10 hours in another department.

Breaks

Student employees are required to take a 15 minute paid break within the 4 consecutive hours worked, and are required an unpaid half hour break after 6 consecutive hours of work. If the student works two jobs, the student employee is still required to take a meal break after 6 consecutive hours. It is both the student and department’s responsibility to keep a record of when breaks are taken.

Timesheet

Student timesheets must be filled out accurately, and provided to the hiring manager on the last day of the pay period for confirmation of hours worked. The signature of both the manager and time keeper are required. All signed timesheets need to be submitted to Payroll prior to deadline. Instructions on how to fill out student timesheets correctly, and Payroll deadlines can be found on the Payroll website at:
http://www.csus.edu/hr/departments/payroll/index.html

Campus Jobs

Students are allowed to hold multiple student employment positions i.e. FWS, ISA, GA, TA. Federal Work Study (FWS) student employees are only allowed one FWS position. Student employees can be appointed to multiple positions as long as 20 hours per week are not exceeded.

Voluntary Self Identification of Disability

We are a federal contractor or subcontractor required by law to provide equal employment opportunity to qualified people with disabilities. We are also required to measure our progress toward having at least 7% of our workforce be individuals with disabilities. Identifying yourself as an individual with a disability is voluntary, and we hope that you will choose to do so. Your answer will be maintained confidentially and not be seen by selecting officials or anyone else involved in making personnel decisions.
