CSU FORM SSA-1945 STATEMENT CONCERNING YOUR EMPLOYMENT IN A JOB NOT COVERED BY SOCIAL SECURITY

EMPLOYEE AND CAMPUS INFORMATION

EMPLOYEE NAME (Last, First, Middle Initial)	EMPLOYEE ID#
CAMPUS	DEPARTMENT

Please be advised that your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension benefit may affect the amount of the Social Security Benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two (2) ways your Social Security benefit amount may be affected:

1. Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job.

For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$313.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit.

2. Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State, or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds (2/3) of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500-\$400 = \$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. ☐

FOR ADDITIONAL INFORMATION

For more information, please refer to Social Security Publications "Windfall Elimination Provision," and "Government Pension Offset Provision." These publications, and additional pertinent information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free at (800) 772-1213, or the TTY number at (800) 325-0778, or contact your local Social Security Office.

HUMAN RESOURCES STUDENT EMPLOYMENT OFFICE Student Employee Agreement

Student Employee Start Date and End Dates

Hiring Managers may not authorize student employees to start work until they have received an official **Employment Confirmation Notice** from the Human Resources Student Employment Office. Student employees will receive their notice within 48 hours of completing all required HR/Payroll forms. Student employees are not allowed to work beyond their appointment end date.

Work Schedule

Hiring Managers should discuss the student employees work schedule with the student. Student Employee's first role at Sacramento State is to be a student. It is important that the hiring manager remains flexible with student's hours. It is the student's responsibility to inform their manager of exams and papers ahead of time to allow the manager to plan around their school needs.

Student's Hours

Student Employees are not allowed to work over 20 hours per week. This includes students who have multiple positions on campus. For example, a student who works 10 hours in one department can only work 10 hours in another department.

Breaks

Student employees are required to take a 15 minute paid break within the 4 consecutive hours worked, and are required an unpaid half hour break after 6 consecutive hours of work. If the student works two jobs, the student employee is still required to take a meal break after 6 consecutive hours. It is both the student and department's responsibility to keep a record of when breaks are taken.

Timesheet

Student timesheets must be filled out accurately, and provided to the hiring manager on the last day of the pay period for confirmation of hours worked. The signature of both the manager and time keeper are required. All signed timesheets need to be submitted to Payroll prior to deadline. Instructions on how to fill out student timesheets correctly, and Payroll deadlines can be found on the Payroll website at: <http://www.csus.edu/hr/departments/payroll/index.html>.

Campus Jobs

Students are allowed to hold multiple student employment positions i.e. FWS, ISA, GA, TA. Federal Work Study (FWS) student employees are only allowed one FWS position. Student employees can be appointed to multiple positions as long as **20 hours per week are not exceeded.**

Voluntary Self Identification of Disability

Voluntary Self-Identification of Disability																												
Form CC-305 Page 1 of 1	OMB Control Number 1250-0005 Expires 04/30/2026																											
Name _____ Employee ID: _____	Date _____																											
Why are you being asked to complete this form?																												
<p>We are a federal contractor or subcontractor. The law requires us to provide equal employment opportunity to qualified people with disabilities. We have a goal of having at least 7% of our workers as people with disabilities. The law says we must measure our progress towards this goal. To do this, we must ask applicants and employees if they have a disability or have ever had one. People can become disabled, so we need to ask this question at least every five years.</p> <p>Completing this form is voluntary, and we hope that you will choose to do so. Your answer is confidential. No one who makes hiring decisions will see it. Your decision to complete the form and your answer will not harm you in any way. If you want to learn more about the law or this form, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp.</p>
