JOC General Conditions Section 03.01 Award of Contract

If the University deems the acceptance of the lowest responsible bid or bids is not in the best interests of the State, the University may reject all bids (Public Contract Code section 10785). If the Trustees accept the bid and award the Contract, the Trustees' award shall be to the lowest responsible bidder whose proposal complies with all the requirements prescribed (Public Contract Code section 10780). Such award shall be made within 60 Days after the opening of the proposals.

If the lowest responsible bidder refuses or fails to execute the Contract, or perform the Contract, or is found to be non-responsible, the University may award the Contract to the second lowest responsible bidder. Such award shall be made within 120 Days after the opening of proposals. The above time periods within which the award of Contract may be made are subject to such no-cost extensions as may be agreed upon in writing between the University and the bidder concerned (Public Contract Code section 10782).
