

OneCard Vendor Discount Program

Would your business like to provide a discount for Sac State students and employees? Sac State OneCard Services (ID Card Office) is constantly expanding our list of vendors that offer discounts to our Sac State students and employees and would love to include your business as a discount vendor. At this time we provide free advertising on our website [here](#) and post discount vendor information in our office for all students and employees to see. During the summer months we also showcase our Sac State OneCard Discount Program to all of the incoming Sac State students during the new student orientation workshops. This is all made available at no cost to you!

If you are interested in offering a discount or already provide one and would like to be included on our list please complete the following fields and return this form to Sac State OneCard Services:
