

ABA RELATED UNIVERSITY COMMITTEES

SACRAMENTO
STATE

*The committees listed below are all advisory to the President unless noted with an *.*

ABA Related University Committees:

[Executive Safety Committee](#)

Provide to President timely information, advice, and recommendations for action on significant campus Environment Health Safety, and Security (EHS). Committee members in their role as representatives of all campus stakeholders receive input and communication from their campus stakeholders and present that input for the committee for consideration regarding hazards, risks, or concerns, as well as suggestions for improvement for significant campus EHS matters

Point of contact: Gary Rosenblum, AVP for Risk Management Services – gary.rosenblum@saclink.csus.edu

Second point of contact: Nayeli Gonzalez, ASCL for Risk Management Services – n.parra@csus.edu

This committee meets on Tuesdays up to 3 times per semester from 11:00 a.m. – 12:00 p.m.

[Instructionally Related Activities \(IRA\) Committee](#)

The IRA Advisory Committee acts as the advising body to the President for the Instructionally Related Activities student fee allocation. After a thorough review of applications, the IRA committee recommends to the President the suggested distribution of IRA funding to program applicants

Point of contact: Margaret Hwang, Chief Operations Officer for Office of the Vice President/CFO for ABA – mh227@csus.edu

This committee meets once during the fall semester. Depending on the committee's availability, they will meet during the spring semester.

[Student Fee Advisory Committee](#)

The Student Fee Advisory Committee (SFAC) is established to review Category II and III fee proposals. The review process includes the development of a statement of revenues and expenditures for consideration prior to establishing, adjusting, or abolishing a campus student fee. Additionally, committee is to evaluate all existing fees annually, providing a detailed review of selected fees for possible consolidation or elimination.

Point of contact: Gina Curry, AVP for Financial Services - curryg@skymail.csus.edu

This committee meets occasionally as needed on Fridays

[Transportation Advisory Committee](#)*

The University Transportation Advisory Committee shall be the principal campus body responsible for recommending to the President policy on all aspects of campus transportation. Committee members' responsibilities include reviewing and critiquing existing transportation programs; exploring and recommending new programs and modification or elimination of existing ones; recommending priorities for use of parking fines and forfeitures revenues; and aiding in the development of proposals, fee schedules and other matters related to the conduct of a comprehensive transportation management program.

Point of contact: Josh Neri, Parking Events & Services Coordinator – neri@csus.edu

This committee meets one a month between February and May as well as between September and December when most of the members are available to meet.

[University Sustainability Committee](#)

The Committee is charged with responsibility for assessing current sustainability practices for incorporation of best technology; recommending new methods/techniques for incorporating sustainability into operational activities and facilities design; partnering with the community we serve; and identifying and tracking critical performance indicators to keep sustainability practices and strategies on course.

Point of contact: Ryan Todd, Sustainability Manager – ryan.todd@csus.edu

Second point of contact: Kristina Cullen, Energy & Sustainability Analyst – Kristina.cullen@csus.edu

The schedule for committee time is TBD. Information is forthcoming.

[Campus Planning Council](#)

The University entrusts campus physical planning to the Campus Planning Council (CPC). The CPC reviews and recommends policies and proposals affecting the University's physical environment to the President. The CPC is chaired by the Vice President for Administration/Chief Financial Officer. Membership of the CPC shall be comprised of divisional Vice Presidents, as voting members. Other members may be added as non-voting members.

Point of contact: vp-cfo@csus.edu

This committee meets two to three times a semester and over the summer as needed.

[Minor Design Change Committee](#)

The Committee reviews and recommends the use and management of space on campus and the consideration of future design changes such as the addition of outdoor improvements to campus grounds.

Point of contact: Justin Reginato, AVP for Facilities Management – reginato@csus.edu
