Low Enrollment Sections by Subject for Selected Term Report Key

Purpose of Report

The Low Enrollment Sections by Subject for Selected Term report allows a user to view all sections for a selected term that do not meet a minimum enrollment requirement. This report will provide information to show which sections may not be cost effective to offer due to low enrollment.

Section information = Subject, course, section, and meeting pattern information for the low enrollment sections are displayed, grouped by subject.

Minimum enrollment threshold = User defined minimum enrollment. The report will display all sections that have an enrollment lower than this threshold.
