Early Start is a Smart Start!
The CSU wants to help first-time freshmen get an “Early Start” toward their preparation for college-level work. EarlyStart is an enrollment requirement for some first-time freshmen. Placement test scores determine whether a student is required to participate in Early Start.

More information about the Early Start Program can be found at csus.edu/earlystart.

Your grade point average is based on grades earned in (A-G) during 10th through 12th. You may receive bonus points for each C or better in approved honors, AP or IB courses. Up to eight semesters of honors courses taken in the last two years of high school can be accepted including up to two IB or AP courses, or honors courses with 11th or 12th grade content taken in the 10th grade. Each unit of A in an honors course will receive a total of 5 points, B, 4 points; and C, 3 points.

Impaction
Sacramento State is in demand! With record numbers of applications and limited capacity, we were forced to declare impaction campus-wide in 2011. Campus-wide impaction requires applicants from outside of our local service area meet higher admissions criteria. That criteria will be determined by enrollment targets and the applicant pool we receive for Fall 2014.

In addition to campus-wide impaction, a number of our major programs have also been designated as impacted programs requiring supplementary admission criteria. However, students can still be admitted in an alternate major, or they may eventually be admitted to the oversubscribed major if they meet the supplementary admission criteria.

Eligibility Index

The eligibility index (EI) is the combination of your high school grade point average and your test score on either the SAT or ACT. Using SAT: (scores in mathematics and critical reading) + (800 x high school grade point average) + (200 x high school grade point average)
Using ACT: 10 x ACT composite score (without the writing score) + (200 x high school grade point average)
California residents within our local admission area must have a minimum index of 2900 using the SAT or 694 using ACT scores.
Eligibility for California residents outside of our local admission area will be determined by the characteristics of the applicant pool after all applications are collected.

Non-California residents must have a minimum index of 3502 using SAT or 842 using ACT scores.

Local Area for Admission is defined as a student who graduated from a high school in one of the following counties: Sacramento, El Dorado, Nevada, Placer, San Joaquin, Sierra, Solano and Yolo.
