Greetings!

Have you heard about Sac State’s General Education Honors Program for highly motivated students? The Honors Program offers a small, close-knit community of learners within our larger university. We only accept 60 first-year students each year.

Honors students are provided with personalized attention, including small group discussions and one-on-one interaction with faculty and peer mentors. Our students enjoy the advantages of priority registration, excellent faculty, and engaging coursework with a global emphasis.

The Honors Program is comprised entirely of General Education courses and complements any major. To apply for this selective program, please see: http://www.csus.edu/honorsprogram/honorsapplication.html

To be eligible for admission to the Honors Program, students must fall into one of the following categories:

• You are a first-year college student with a cumulative high school GPA of 3.5 or above.
• You are a first-year college student with a total SAT score of 1800 or above, or an ACT score of 27 or above.

Please contact us at (916) 278-2804 if you have any questions or would like additional information.

Thank you.

Vanessa Arnaud, Interim Director of the Honors Program
