

Dear «First Name»,

{#EMPLID#}

Thank you for your application to California State University, Sacramento for the Fall 2015 semester!

On your application you have expressed an interest in majoring in one of Sacramento State's impacted programs. An undergraduate major is designated as impacted when the number of applications received or applicants received far exceeds the number of available spaces. The following majors have been designated "Impacted" and are permitted to use supplementary admission criteria:

- Biological Sciences
- Business Administration
- Criminal Justice
- Graphic Design
- Health Science
- Nursing
- Photography
- Psychology

As you await your admission decision, please take this opportunity to familiarize yourself with what impaction is and what this may mean to you and your major of choice. For more information on Impaction, Impacted Programs and Requirements, visit www.csus.edu/admissions/impaction.html.

Thank you again for your application to Sacramento State, where we have a proud heritage of preparing students for their future.

Best Wishes,
