Dear Sir:

Mr. Ripley is interested in the huge Indian basket made by "Ruby," a tribal Indian living in Yosemite National Park. A photograph of herself and the big basket was recently published in United States newspapers.

Could you please let us know if "Ruby" would be interested in sending the basket to Mr. Ripley for use in his "Believe It or Not" Collection of world-famous oddities—or if not, at what price she might sell it?

BELIEVE IT OR NOT
