# SAC STATE

Admitted Student Day | April 27, 2024

Main Event Location: Library Quad

Sacramento State is pleased to offer complimentary parking (no permit required) in "S" student spaces and "E" employee spaces on campus. *Our campus will be buzzing with multiple events so make sure you bring some comfortable walking shoes to get from where ever you park to the check in table.*

For closest proximity to our event we suggest Parking Structure 1, Parking Structure 2, Parking Structure 3, and Parking Lot 6.

Parking Lot 7, Parking Lot 8 (by the Harper Alumni Center), Parking Lot 9, Parking Lot 10, and Parking Structure 5 are open for parking, but may not be as close to the event as the other parking structures.

Please note: No parking in "R" residential spaces. To park in disabled parking spaces on campus, a disabled person placard or license plate must be displayed. In order to park in a clean air or EV space, the Clean Air Vehicle (CAV) decal from California Department of Motor Vehicles (DMV) must be displayed. See parking regulations for more: [www.csus.edu/parkingtransportation/parking/parkingregulations.html](http://www.csus.edu/parkingtransportation/parking/parkingregulations.html)
