## Residency Questionnaire Instructions

Based on information provided on your application for admission, your residency status for tuition purposes is currently **Non-Resident**. Please note that if your status is left as **Non-Resident** you will be charged out-of-state tuitions, and this residency status may affect your financial aid eligibility. It is important to clear your residency status as soon as possible. Please submit the following documents for review:

**If you will be younger than 19 years of age by the residency determination date for the semester which you applied** (*September 20 for fall semester applicants; January 25 for spring semester applicants*) **please submit the following:**

- A completed Residence Questionnaire. Answer questions numbered 1-11 on page 2 as they pertain to the parent with whom you reside.
- A photocopy of your parent's driver's license or state issued identification card.
- A photo copy of your alien registration card or proof of current immigration status, *if applicable*.

**If you will be 19 years of age or older by the residency determination date for the semester which you applied** (*September 20 for fall semester applicants; January 25 for spring semester applicants*) **please submit the following:**
