COST OF ATTENDANCE

This includes tuition fees, standard allowances for books & supplies, food & housing, transportation, and miscellaneous personal expenses. The housing allowance is based upon your living arrangements while enrolled at Sacramento State. It may not represent your actual expenditures for these items. **A student may not receive financial aid assistance above their COA.**

**NOTE:** The CSU makes every effort to keep student costs to a minimum. Tuition fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, the CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.
COST OF ATTENDANCE

EXPECTED FAMILY CONTRIBUTION (EFC) is the federally-determined amount that you and your family are expected to contribute toward the cost of your education based on the information provided on the financial aid application.

FINANCIAL NEED is the total Cost of Attendance minus the expected family contribution, which will determine your eligibility for need-based aid.

UNMET FINANCIAL NEED is the financial need that has not been met by financial aid awards.

AWARD NOTIFICATIONS & ADDITIONAL AID

You will receive an award notification once all documents are received, reviewed and you are packaged with financial aid. If there are adjustments to your awards, once you have been packaged, you will receive a revised financial aid notification. Reasons for adjustments of aid can vary from change to enrollment or notification of a new award. Award adjustments may result in an increase, decrease or in some cases cancellation of funds.

Financial Aid awards that are left in an “Offered” status will be subject to cancellation if you do not accept or decline within two weeks. Before declining an award, be advised that not all grant aid can be restored later. You may reduce the amount of loan offered and are encouraged to only borrow what you need for school.

If you receive additional aid such as scholarships, stipends, tuition fees paid by third party contract, waivers, etc., not listed on your Award Notification, you must inform the Financial Aid & Scholarships Office in writing. These additional resources must be included as part of your financial aid package, which may require a reduction of other awards.

OVER-AWARD(S)

Federal and state regulations do not permit students to receive aid which exceeds their calculated Cost of Attendance or financial need. The following situations may cause an over-award:

- Change in budget, housing status, resident status or academic career
- Change in enrollment status
- Increase in family contribution as a result of corrections made to the financial aid application
- Unreported aid from outside resources
- Scholarships, grants, stipends, third party tuition fee payments received at other schools, etc.
  - Human error in calculation or data entry of award(s)

Students are required to repay all aid for which they are determined to be ineligible

ENROLLMENT STATUS & DISBURSEMENT

The Financial Aid & Scholarships Office offers awards based on full-time enrollment. However, disbursement of funds is based on number of units you are enrolled in at the time of disbursement. For example: If you are enrolled in 12 units, your aid will disburse based at 12 units. If you drop to 9 units before the next disbursement, your aid may be adjusted creating a balance owed to the University. Disbursement of funds begins one week before the start of the semester and continues bi-weekly through Census. After Census disbursement of funds occurs once a week.

</tr>
</tbody>

Remember!
To graduate in 4 years, a student needs to complete 15 units per semester (30 units per academic year).

If you are receiving a Cal Grant, the award is limited to four academic years. Depending on your education level, Cal Grant eligibility may be less than four academic years. Consult the Financial Aid and Scholarships Office if you have questions about your Cal Grant award.

WITHDRAWAL FROM SCHOOL
If you have received financial aid and withdraw from the University, the Financial Aid & Scholarships Office is required to calculate what portion of your aid may need to be returned to the federal and/or state programs, portion of aid you get to keep and portion that may be owed to the University. Prior to withdrawal from school we encourage you to consider the impact withdrawing may have on repayment of aid, future aid eligibility, and maintaining Satisfactory Academic Progress (SAP) standards. If you withdraw from school after the semester starts, you will owe pro-rated fees for the number of days you were enrolled.
CENSUS
Financial aid awards are locked and adjusted based on enrolled units.

For example: If you were initially paid at full-time units and then at Census you are enrolled in less than full-time, you may have to repay aid you are not eligible to keep.

CENSUS dates:
Fall 2020: 9/28/2020
Spring 2021: 2/19/2021

TYPES OF FINANCIAL AID

FINANCIAL AID includes Grants, Scholarships, Federal Work Study and Loans

GRANTS do not have to be paid back and are typically based on financial need

• **Federal Pell Grant** is a need-based grant available to eligible undergraduate students and students pursuing their first non-degree teaching credential. Pell Grant funding is limited for up to 12 (full-time) semesters, regardless of school attended
• **Federal Supplemental Educational Opportunity Grant (FSEOG)** is available to eligible undergraduate students with financial need. Funding is limited
• **Educational Opportunity Program (EOP) Grant** is available to eligible undergraduate California residents who were admitted through EOP Office. Funding is limited
• **Bureau of Indian Affairs Grant (BIA)** is available to eligible students and funds will be awarded by the BIA.
• **State University Grant (SUG)** is a need-based grant applied to tuition fees and available to eligible California residents. A student may only receive one award designated for tuition fees.
Funding is limited. Eligible students must meet the priority filing deadline when filing their financial aid application

- **Cal Grant** is available to eligible undergraduate California residents. Eligibility is determined by the California Student Aid Commission (CSAC) for students meeting the March 2 filing deadline. Cal Grant A and Cal Grant B Fees are designated for tuition fees. A student may only receive one award designated for tuition fees • **Middle Class Scholarship (MCS)** is administered by the California Student Aid Commission (CSAC) to undergraduate eligible students. Participation is limited to students who will not have at least 50 percent of their tuition fees covered by a government or institutional grant or scholarship
- **TEACH Grant** is available to students in the teacher credential program and requires 4 years of teaching at a school servicing low-income students. If the 4 years required are not met, the TEACH Grant amounts will be converted to a Direct Unsubsidized Loan

**SCHOLARSHIPS** are considered a resource when awarding other financial aid and may reduce need-based financial aid. Other aid maybe adjusted to ensure student is not awarded beyond their Cost of Attendance.

- **Scholarships Departmental Scholarships** are awarded by the respective campus departments
- **Community Scholarships** are awarded by off-campus donors and are shown as estimates until the funds have been received
- **Institutional Scholarships** are awarded by the University Scholarship Committee. Scholarship Application period is mid-January to mid-March for the up-coming Fall and Spring semesters

**Federal Work Study (FWS)**

- FWS program provides eligible students the opportunity to earn funds for their educational expenses through job opportunities. FWS job opportunities are available through Handshake.

**LOANS** must be repaid after the student graduates, leaves school or drops below half-time enrollment. ALL student loan borrowers must complete a Federal Direct Loan Master Promissory Note

- **Federal Direct Subsidized Loan** is a long term, fixed interest rate loan for eligible undergraduate students and is based on financial need. The government pays interest during in-school deferment periods.
- **Federal Direct Unsubsidized Loan** is a long term, fixed interest rate loan for eligible undergraduate and graduate students and is not based on financial need. Interest begins to accrue at the time of disbursement. We recommend students make interest only payments while in school to avoid unpaid interest being added to the principal amount of the loan at repayment.
- **Federal Direct Graduate PLUS Loan** is a long term, fixed interest rate loan for eligible graduate students who demonstrate credit worthiness.
- **Federal Direct Parent Loans for Undergraduate Students (PLUS)** is a long term, fixed interest rate loan for eligible parents of dependent students. If the parent is denied the PLUS loan because of an adverse credit history, the dependent student may request consideration for additional unsubsidized loan eligibility. Repayment begins sixty (60) days
after the full amount has disbursed for the school year. Repayment maybe deferred while the student is enrolled at least full-time in an eligible program.

The Direct Loans have an annual loan limit based on class level. The loan programs also have lifetime aggregate loan limits based on a student's undergraduate or graduate status.
