Human Resources

Summer hours begin May 29

This summer, in an effort to conserve energy, we will continue the practice of a modified work schedule with normal business hours for the campus of 7:30 a.m. to 4 p.m. with a 30-minute lunch break. These hours are effective Tuesday, May 29, and continue through Friday, Aug. 17. As always, authorized supervisors may modify individual work schedules to address special situations.

As in past summers, this schedule enables the University to realize substantial budget savings by reducing energy consumption during the late afternoon hours when energy demand is highest. We hope this change also permits many of our employees to get the most from the longer summer days.

If you have questions or concerns that cannot be answered by your supervisor or manager, please contact Chela Cholula, employee and labor relations manager in the Office of Human Resources, at 278-6779 or cholula@csus.edu. Thank you.
