Dear Michael:

Thank you for your continued participation on the Campus Safety and Environmental Health Committee. Your commitment and dedication in professionally addressing the essential safety and environmental programs of the campus is clearly part of what makes Sacramento State a leader in the educational community.

Having received and reviewed the *Injury and Illness Prevention Program (IIPP), Revision 2, October 2008*, approval is given to supersede the existing IIPP with Revision 2.

As appropriate, please take the necessary actions to reflect this change on University web pages and/or in other University related documents and policies.

Sincerely,
