QEND. Your answers indicate that there is a youth/there are youths between the ages of 11 and 17 living in this household. We would like to interview this youth/one of these youths as part of a study on youth attitudes toward smoking. The purpose of this research is to obtain information on the attitudes and beliefs of teenagers about smoking and other issues. During the interview we will be asking questions about the youth's beliefs and perceptions pertaining to smoking. We will also be asking general questions about school and how much teenagers think other people their age are concerned about tobacco use.

Any answers given during the survey will be kept confidential and will be used only for the purposes of this research, or as required by law. While participation is voluntary, your cooperation and the cooperation of the youth in this survey is very important to the success of our study. We will be calling back to speak to the youth within the next 4 to 6 weeks.

[Sus respuestas indican que en su casa viven uno o más jóvenes entre las edades de 11 años y 17 años. Nos gustaría entrevistar a este o uno de estos jóvenes como parte de un estudio sobre las actitudes de los jóvenes hacia el fumar. El propósito de esta investigación es para obtener información sobre las actitudes y creencias de los jóvenes relacionado al fumar y otras cuestiones. Durante la entrevista le haremos preguntas sobre las creencias y percepciones del joven sobre el fumar. Le haremos también preguntas generales sobre la escuela y cuanto creen los jóvenes que otras personas de su edad se preocupan por el uso del tabaco.

Cualesquier respuesta dada durante el estudio sera confidenciales y solamente se usarán para el propósito de esta investigación, o según requiere la ley. Mientras que la participación es voluntaria, la cooperación de los jóvenes en este estudio es sumamente importante para el éxito de nuestra investigación. Le llamaremos nuevamente para hablar con el joven durante las próximas 4 a 6 semanas.]

Closing statement:
